DESIGN

THE SPA at Mandarin Oriental embraces a Shanghai 1930's design scheme that celebrates the architecture influence of this bygone era of fashion and glamour. The treatments will reflect this foundation and enhance it with modern applications.

Benefits include increased flexibility, relief of joint and muscle tension and a balance of the body's energy system.

BODY WRAPS

PERSONALIZED OCEAN AND EARTH

1 HOUR

The Ocean and Earth Body Wraps inspire a life-enhancing experience that begins with a body exfoliation. Personally chosen aromatherapy oil is applied before the complete enveloping body wrap. The body wrap is designed to comfortably raise the body's temperature and induce perspiration to help eliminate toxins and increase the absorption of the oils and the wrap. AQUA EXPERIENCES

HAMMAM

Originating in Turkey, Hammams provide places for relaxation, well-being and social gatherings. The intense heat warms the body slowly and continuously, stimulating sweat glands, increasing blood circulation and promoting healthy skin tone and texture. The Hammam is equipped with two experience showers for an enjoyable cooling sensation.

The core of the Hammam experience is the scrub, which is performed on a heated marble massage table. The treatment begins with a loofah exfoliation, which is followed by the more invigorating Hammam scrub, leaving the body feeling energized and smooth.

RHASSOUL

The Rhassoul offers a one-of-a-kind Moroccan experience designed as an ancient healing ritual. Natural mud is carefully selected and prepared in an ante-room, where it is applied to all parts of the body and the face. The guest proceeds to a heated room at 100°F. Dry heat dries the mud and allows the skin to draw out impurities from the body. After 15 to 20 minutes, aromatic steam is released, allowing the mud to be moist again. As the mud softens, its beneficial ingredients and natural minerals are absorbed by the body. A gentle rain shower signals the end of the program. The treatment concludes with a soothing head and foot massage. Advance booking and charges will apply for this experience.
